Rector's Corner

Dear St. George's Family:

At the end of January, we gathered for our Annual Parish Meeting. I continue to be deeply moved by the generosity, grace, and love shared by all members of St. George's. It was extremely evident at the meeting in all who presented and all in attendance. Thank you to all who had a hand in another successful Annual Parish Meeting! And I give a special thanks to all of you that have agreed to serve St. George's in various capacities.

We are entering the month of February with some exciting things on the horizon. We continue in the season after Epiphany hearing and witnessing of how Jesus Christ is a light to the world. This is especially important during these times of political and social division and unrest. I pray that you may find peace and comfort amongst the turmoil swirling around our nation. I truly believe St. George's is a place to come and be uplifted and renewed as we strive to know God more through our word, action, and service. At the end of the month we will enter into Holy Lent on Ash Wednesday (see the article on page 6). I invite and encourage everyone to participate in this important season of self-dedication and renewal of commitment to Christ. I am also excited about the Lenten Series on Wednesday evenings that will be offered by our very own Mikail McIntosh-Doty.

Representatives of St. George's will also be attending the 171st Diocesan Council this month in Waco. Diocesan Council is an important component of our life together as Episcopalians. Representatives from all parishes, mission, schools, and institutions in the Diocese of Texas will gather to conduct the business of the diocese and share fellowship with one another. Our archivist Frances Rickard informed me of a bit of history of particular significance for this year's Diocesan Council. 70 years ago, at the 101st Diocesan Council of the Diocese of Texas, St. George's was officially recognized and celebrated by council. This year is a monumental occasion for St. George's as we celebrate our 70th anniversary! See the article on page 9 for more information from the archives about the origins of St. George's.

I pray that you all are enriched by the community of St. George's this month, and continue to be blessed by God's presence and guidance in your lives.

Faithfully,

The Rev. Kevin LJ Schubert

Deacon's Corner

Dear St. George's Family:

As I write this column, I have just finished writing two meditations which I will give at the upcoming Cursillo Weekend at Camp Allen from February 20-23. I feel blessed to be the assistant spiritual advisor for this weekend. It is the third time I've been to Cursillo, once as a pilgrim and once as a team member. This is the first time I'll attend as clergy.

Cursillo is a way of exploring our faith, a way of examining how we can make our faith a more active part of our lives. In the two meditations I wrote today, I explored the importance of knowing yourself in order to have a closer relationship with Christ. My text was Mark 8:22-26, about the blind man whose sight was restored by Jesus in stages. In the same way, we may improve our spiritual sight gradually over time, instead of all at once. My second meditation is about the importance of being honest with Christ if we are to benefit from his healing, redemptive power. My text for that talk is Mark 10:17-22, about the rich young man who does not give up his wealth to follow Jesus. Although he doesn't see it, Jesus sees what is blocking this person from a God-centered life. I also cite John 12:4-6, where Judas Iscariot condemns Mary for anointing Jesus' feet with costly perfume. Jesus knows what Judas is really up to, but he never condemns him. He always leaves the door open for repentance. And finally, I discuss three passages (Mark 14:27-31, Luke 22:54-62, and John 21:15-17) about Peter's three denials of Jesus and Jesus' forgiveness. Peter keeps missing the mark, but he keeps trying, and that's important. Jesus doesn't expect us not to make mistakes. He just expects us to keep trying to live a life pleasing to God.

I think these passages have a message for all of us. A life in Christ depends on our relationship with Christ, and that relationship is something we need to work on all the time. It's not a matter of box-checking. It's a matter of prayer, worship, self-examination, and actions that continue every day of our lives. It's about practicing our faith all the time.

Peace and Blessings,

The Rev. Jim Enelow

SEMINARY OF THE
SOUTHWEST

Our Seminarian Returns

On **Sunday, January 26th**, our seminarian Bryan Callen rejoined us after his winter break. Be sure to welcome him back!

Wednesday Weavings

St. George's Wednesday night adult discussion group, Wednesday Weavings, continues in February with gatherings on the first and third Wednesdays of the month. All are welcome to join the group for a simple meal, a short time of centering prayer, and discussion of a reading from the Forward Movement publication, *The Social Justice Bible Challenge*. This month we will meet on **February 5th**, at the **home of Frances and John Rickard**, and on **February 19th**, in **Kleberg Hall**, from **6:30 to 8:00 pm**. If you come, please bring a contribution for the salad bar meal (for example, fruit, vegetable, or crunchy toppings). We hope to see you there! For more information or for a copy of the book, contact Frances Rickard at fajrickard@gmail.com.

Women's Book Group

Please join us for our next meeting on **Saturday, February 15th**, from **3:00 to 5:00 pm**, at the **home of Belinda McGhee**. We will discuss *Bel Canto*, by **Ann Patchett**. All St. George's women are welcome to attend; this group is open and welcoming of all. We hope you can join us for interesting conversation, delicious snacks, and our book discussion. Please contact Sandra Villalaz at **512-762-8349** or sandra.villalaz48@gmail.com with any questions, or if you want to join the fun. Happy reading!

Cursillo Weekend

A three-day Cursillo weekend will be held at Camp Allen from Thursday, February 20th, to Sunday, February 23rd. Cursillo is a faith-strengthening movement which has been active in the Episcopal Church for decades, and Cursillo weekends are held in the Diocese of Texas twice a year. Deacon Jim Enelow will be one of the spiritual advisers for this weekend. The cost to each pilgrim is \$75 and includes room and board. The weekend will include talks, worship services, and table fellowship. Weekends are usually attended by about 15 pilgrims, split into "families" of five or six, so that each pilgrim is part of a small, welcoming group, led by an experienced staff member. Registration is available at the [Episcopal Cursillo of Texas](http://www.episcopal-cursillo.org) website. Contact Jim Enelow at jenelow@utexas.edu or 512-893-0935 with any questions.

New Greeter Ministry

Under the direction of the bishop, all churches in the diocese are asked to begin counting the number of visitors each Sunday, in addition to counting total attendance. St. George's plan to do this by starting a new Greeter ministry. Greeters will greet (and count) newcomers each Sunday, provide them with newcomer bags of information about St. George's and the Episcopal Church, answering any questions they may have, and generally making them feel welcome. This would be a separate ministry from the Ushers, who already have quite a few responsibilities on

Sundays and cannot focus specifically on newcomers. If you're interested in participating in this new ministry, please contact Kevin at kevinlschubert@gmail.com.

Third Sundays at St. George's

On third Sundays at St. George's, children stay in church for the whole service. We want to give them a chance to go to church with us, be in worship beside us, and explore how we can invite them into worship. Fr. Kevin has started by offering a sermon directed at children, but accessible to us all. What else can we do?

Kids like to do real work and real things. They may not be able to build a house, but some can hold a hammer and pound a nail, or get a screwdriver out of the toolbox. Some can even operate a drill press – it's true! So too in worship – not the hammer or drill press, of course, but kids can participate in a variety of ways. Some kids can read, and read with dynamic delivery. Some kids can understand what the sermon is saying to them and offer comments that enlighten the rest of us. Some can play instruments at near-professional levels. Some can keep a solid beat on percussion and sing. Some can serve as acolytes, lighting and processing with the candles. And although we haven't tried yet, it's a sure bet that some kids could serve with parents to greet people coming into church and offer the Sunday Paper to children who sit with their parents. To provide something to do during the service when it gets hard to concentrate, you'll now find a new shelf with blank paper and pencils at the south entrance, and we're collecting books of Bible stories for reading in church and borrowing for home. If you have any such books to contribute, please bring them in!

The more ways that we can involve kids in what we really do in church, rather than distract them from it, the most likely they are to truly experience the body of Christ in worship and benefit from it. The rituals of worship are like an aqueduct – they make a way for the water to flow. And the more we participate in these rituals, the better we know them. And the better we know them, the more the water flows.

Our ideas about engaging children in worship are continuing to grow. If you have any ideas, please speak to Suzette Puckett or Jan Phillips (or email us at cshpuckett@austin.rr.com or janphillips62@gmail.com). Even ideas that can't be implemented help give us new ways of thinking about integrating children into worship.

Shrove Tuesday on Sunday

Pancakes and sausages for all! On **Sunday, February 23rd**, **after the 10:30 service**, come celebrate with our church family before we begin our Lenten observations on Ash Wednesday. Bring your appetites and a donation to support a charity chosen by the youth. And it would also be very appropriate and festive to wear your best hats! Hosted by St. George's Youth and KidsWord. For more information or with questions, contact Suzette Puckett at cshpuckett@austin.rr.com.

So what is Shrove Tuesday? Traditionally viewed as a day of confession and repentance, Shrove Tuesday has become over time the last day for celebration and feasting before the Lenten season of fasting and self-denial. Food items like meats, fats, eggs, milk, and fish were regarded as restricted during Lent. To keep such food from being wasted, many families would have big feasts on Shrove Tuesday in order to consume those items that would spoil during the next forty days. The English tradition of eating pancakes on Shrove Tuesday came about as a way to use as much milk, fats, and eggs as possible before Ash Wednesday. In France, the consumption of fatty foods on this day led to the name Fat Tuesday or *Mardi Gras*. And in New Orleans, they *laissez les bons temps rouler* for days, with music, dancing, and parades! (Information from www.ShareFaith.com.)

Ash Wednesday

Ash Wednesday, which this year falls on **Wednesday, February 26th**, marks the beginning of the season of Lent, the period of forty days (excluding Sundays) leading up to Easter, and St. George's will observe this day with two services, at **12:00 pm** and **7:00 pm**. The Ash Wednesday service features the imposition of ashes, a reminder of our mortality and dependence on God, and an invitation to reflection and repentance. Lent is traditionally a time of self-examination and repentance through prayer, fasting, self-denial, and reading and meditating on scripture. The forty days of Lent symbolizes the forty years in which the Israelites wandered in the wilderness in search of the Promised Land. It also recalls the time Jesus spent in the wilderness in fasting and prayer, during which he was tempted.

A common practice during Lent is to participate in a Lenten discipline; this can involve giving something up or taking on a new practice, in order to deepen your faith and bring you closer to Christ. We hope you will join us as the community of St. George's journeys together into the Lenten season.

Remember
that you are
dust and into
dust you shall
return.

Ashes to Go

In addition to our Ash Wednesday services, St. George's will offer the Imposition of Ashes outside the church from **8:00 to 9:00 am** on the morning of **Ash Wednesday, February 26th**. This ritual will be available to anyone on the campus who wishes to receive it, but it is particularly geared toward parents bringing their children to St. George's Episcopal School. Not everyone has the flexibility to attend a full service, especially working parents with young children, so we want to be able to take this significant moment of liturgy out of the church and into the space where people going about their busy lives need it.

Lenten Concert

The Rev. James Derkits, rector of Trinity by the Sea in Port Aransas, will perform a concert of his original work, "Love One Another," at St. George's, on **Thursday, March 5th, at 7:00 pm**. He will be accompanied by the Rev. Billy Tweedie, rector of Resurrection here in Austin. "Love One Another" is made up of songs of Jesus' Incarnation, Teachings, Passion, and Resurrection; because this is a Lenten concert, it will include only the first three parts. James has been writing music for nearly 30 years. While on sabbatical from Trinity by the Sea, he is touring and performing these original songs at several Episcopal Churches, sharing his work with a variety of congregations. We are privileged to be able to host him here at St. George's.

Lenten Series

Engaging Our Faith Tradition(s) as We Walk with Jesus towards Calvary

Join us in Kleberg Hall on Wednesday evenings during Lent (**March 4, 11 & 25, and April 1**), from **6:30 to 8:00 pm**, for a Lenten series facilitated by **Mikail McIntosh-Doty**. Each night we'll explore different aspects of our own faith journey and the faith journey(s) of the broader church(es) as we enter the Lenten period of the church year. We'll start by challenging each other to move beyond our comfort zones and end up imaginatively walking with Jesus during his final days up to the crucifixion. The series will include lots of discussion and interaction and a wee bit of homework over the long break in the middle (we won't meet during Spring Break). Instead of giving something up this Lent; our Wednesday nights will be a time when we focus on doing something new. Please bring a dish to share for the potluck meal before the discussion.

3/4 Getting Beyond "We're reasonable; they're idiots!" Stepping Outside Our Algorithmic World View

Advent and Lent focus on the journey as well as the destination. If Advent focuses on the "waiting for God" part of the journey, Lent focuses on the "preparing me (us) for the trial to come (and the joy beyond the trial)."

3/11 What Do We (I) Believe? An Exploration of the Creeds

We'll look at creeds as communal statements of our faith and personal creeds for individual use.

3/25 The Good, the Bad, and the Ugly: Prior Engagements with Religion

We'll be discussing how our earlier engagements with religion may have been challenging for us in some circumstances and practices, and yet finding what is worth salvaging (or transforming and engaging anew) from those past experiences.

4/1 Were You There? Walking the Stations with Jesus

As a sort of "jump start" for Holy Week, we'll have 4 to 5 stations with props to help us explore Christ's crucifixion journey, and we'll use Ignatius of Loyola's spiritual practice of "imagining" yourself there with Jesus.

Mikail McIntosh-Doty is long-time member of St. George's who wants to put some of her degrees to work for the congregation. She has Master's Degrees in Library Science, American History, and Religion, and is currently the University Librarian at Concordia University Texas (LCMS). She grew up Roman Catholic and loves her Catholic roots, but she came to feel truly at home in the Anglican Communion after working in the library at the Seminary of the Southwest and becoming friends with the staff, faculty, and seminarians there. Since 1994, St. George's Episcopal Church has truly been her home.

From the Archives... Happy 70th Birthday, St. George's!

On January 23, 1950, the 101st Council of the Episcopal Diocese of Texas, meeting in Waco, recognized St. George's as a mission congregation. The year 2020 thus marks St. George's 70th anniversary. I thought it might be fun to observe this anniversary year with tidbits of our history as culled from the parish archives*, which is located on the second floor of the Wright-Giles House.

The congregation did not spontaneously ignite in January 1950, of course. In 1949, the diocese purchased land at 38 ½th Street and Basford Road for an Episcopal congregation to serve the rapidly developing area northeast of downtown of Austin. A surplus Army chapel from Camp Swift in Bastrop was purchased and relocated to the Basford Road site. Under the leadership of Bishop Coadjutor John E. Hines, a small group of Austin-area Episcopalians began meeting for worship services in the former chapel. Bishop

Hines named the fledgling church St. George's. See the accompanying image of the first church building as scanned from a 1953 photograph in the parish archives.

The parish archives contains several written histories of St. George's compiled by former parishioners. One such history, prepared by Calvin L. Hagood, Jr., indicates that the organizational meeting took place on December 8, 1949. The earliest worship bulletin I've found so far in the archives is dated December 18, 1949 (see the images below). It was the Fourth Sunday in Advent, and the Morning Prayer service was led by the Rev. Keith Bardin, whom the bishop had appointed to serve as assistant vicar.

The Rev. William Brewster was appointed first vicar and was serving as such in January 1950 when St. George's was presented to the diocese as a mission congregation. Mr. Percy V. Pennybacker, for whom the Loop 360 bridge is named and in whose memory our church bell was given, served as senior warden. Below is a list of past clergy and senior wardens from several other points in our history:

- 60 years ago – The Rev. Malcolm Riker, Rector; William Clark, Senior Warden
- 50 years ago – The Rev. John Price, Rector; Ralph Whitman, Senior Warden
- 25 years ago – The Rev. David Hoster, Rector; the Rev. Judith Liro, Associate Rector; John Rickard, senior warden
- 10 years ago – The Rev. David Hoster, Rector (for 4 months); the Rev. Kevin Schubert, Acting Rector; Rob Blech, Senior Warden

I hope you will enjoy these tidbits of history from the archives during 2020. I'm happy to take your feedback, suggestions, and questions.

~ Frances Rickard, Parish Archivist

* An *archives* (sometimes called an *archive*) is the materials created or received by a person, family, or organization (in our case, St. George's Episcopal Church) in the conduct of their affairs and preserved because of the enduring value contained in the information they contain or as evidence of the functions and responsibilities of the person, family, or organization. In other words, our parish archives contains the permanent records St. George's.

Welcome, Raleigh Landry!

Congratulations to Madeleine and Kyle Landry, who welcome a new daughter to the world, and to Vivienne, who welcomes a new sister! Raleigh “Lollie” Delabarre Landry was born on Wednesday, January 1st, weighing 7 pounds 6 ounces, and measuring 20 inches long. Madeleine says, “Vivienne is a proud and excited big sister!”

We give thanks for the blessing you have bestowed upon this family in giving them a child. Confirm their joy by a lively sense of your presence among them, O God, and give them calm strength and patient wisdom as they seek to bring this child to love all that is true and noble, just and pure, lovable and gracious, excellent and admirable, following the example of our Lord and Savior, Jesus Christ. Amen.

Recycling

Please be aware that recycling at St. George’s is somewhat different from residential recycling. Unfortunately, we can NOT recycle **glass** here. The large recycling bin in the parking lot also can NOT take any kind of **plastic bag**, or anything contaminated with **food waste** (even if it would otherwise be recyclable).

Waste Management, the company that handles our trash and recycling, has let us know that our recycling has often been contaminated with non-recyclable material in recent months, and we are charged an additional fee when that is the case. Thank you for your help!

2020 Flower/Candle Donation Calendar

A new calendar for donations for flowers and altar candles is hanging on the bulletin board inside the north entrance of the church. If you would like to give altar flowers for one or more Sundays in 2020, or altar candles for one or more months, please print your name clearly on the calendar so that you can be recognized in the Sunday bulletin. Be sure to note if you are giving the flowers or candles in memory of someone or in thanksgiving for a blessing in your life. A **donation of \$35** (for either flowers or candles) is requested. You can make your donation by check or electronically through our online giving program. Make checks made payable to St. George's and note on the memo line that the check is for altar flowers/candles. To give electronically, visit the [St. George's Donation page](#) and indicate the amount of your gift in the appropriate section (*Other Designated Gifts, Altar Guild, "Altar Flowers" or "Altar Candles" in the notes section*).

News from the School

It's hard to believe that February is already here. Another favorite child's holiday is around the corner – Valentine's Day! Not only will the children be feeling the love this month, but the teachers will as well. Our Annual Fund raised just over \$10,000 dollars, and that money has been allocated to replenish our classroom materials. Teachers love shopping for their classrooms – it's like Christmas all over. It was a real joy to watch and listen to them create their wish list of classroom items they have been wanting and needing in many cases. They definitely felt the love and support of our parishioners and families.

This month we have two parent education events. All are welcome:

- **Thursday, February 6, 12:15-1:15 pm – Toilet Learning and Toilet Training**
Our Head of School, Jerri Thompson, will discuss the steps to successful toilet training that is stress- and worry-free.
- **Tuesday, February 25, 5:30-7:00 pm – Helping Kids Tame Their Dragon**
Claire Fynn and Jeni Buckley, owners of For Kids Sake, will lead a discussion about how to help children manage negative feelings.

February is also the month for Open Enrollment for the 2020-2021 School Year and Summer Camp programs. Registration for both [Summer Camp](#) and the [2020-21 School Year](#) is now online. If you are interested in registering your child, please read all the information on the website carefully, and feel free to contact the school office at info@stgeorges-austin.com or 512-452-6063 with any questions. We welcome the calls and are happy to answer questions and give tours.

Happy Valentine's Day!
